II. Treasurer's Report

- Reviewed current financial standing
- Discussed the need to raise as much funding as possible
- Current goal is to pay for one convention

III. Vice President's Report/Fundraising Updates

- Stressed Treasurer's request of strong fundraising
- **Dare-oke fundraising event** – event cancelled. Unfortunately we did not get enough participation to have made a profit. The raffle prizes the teams collected will be repurposed throughout the remainder of the year such as at the golf outing, recital, etc.
- **Cash Raffle** – plan is to get tickets out to dancers prior to the Thanksgiving holiday. Each dancer is asked to sell at least 10 tickets. Those that chose to opt-out will not receive any tickets.
- **Golf Outing (Spring)** – Need to get Sponsorships locked in. Request for everyone to look for Corporate Sponsors. Booster Club will be sending out a letter to assist everyone in attempting to solidify a Corporate Sponsorship. Also request for all to start soliciting those golfers you know to come out and support our dancers!
- **Pie Sale** – **Last day to order is this Friday, November 10th! Get those orders in!** If you aren't hosting dinner, you can support this fundraiser by purchasing a pie for donation.
- **Clothing Drive** – We had many donations and thank everyone for their participation. Over 3,000 lbs were donated and the Booster Club will receive approximately \$350 for these donations. We will aim to have another clothing drive in the Spring – stay tuned!
- **\$500 Lululemon Gift Card Raffle** – Raffle will take place in the studio soon – stay tuned for details.
- **Additional Fundraising ideas** - Those in attendance shared a lot of great fundraising ideas such as sale of food at competitions, partnering with food trucks at the Phila competition, hosting team dinners at restaurants in the area of some of our competitions, sale of snacks for the dancers, etc. The Booster Club officers appreciate all of these great ideas and request your assistance in moving your idea forward. We are more than happy to provide guidance and support as needed.
